**New Psychiatrist Joins Shodair Children's Hospital
Expands Shodair's team of Child & Adolescent Psychiatrists to Five**

(HELENA)--- Shodair Children's Hospital is pleased to announce child and adolescent psychiatrist Dan Korb, M.D., joined Shodair last month. Dr. Korb works with patients on Shodair's Acute Unit.

Dr. Korb, who is board certified in general psychiatry, earned his medical degree from the St. Louis University School of Medicine. He served his internship in psychiatry, followed by residency in general psychiatry, and completed a fellowship in child and adolescent psychiatry, all at the University of Utah. Next, Dr. Korb moved to Missoula, where he worked in private practice and as a consultant to several facilities, including Shodair. After relocating to Colorado and practicing there for several years, Dr. Korb moved back to Montana to become part of Shodair's clinical team.

Dr. Korb practices at Shodair Children's Hospital with Drs. Keith Foster, Celeste Pfister, Katherine Rappaport, and Heather Zaluski, who are Board Certified in Adult Psychiatry and Child and Adolescent Psychiatry.

-END-

About Shodair: Shodair Children's Hospital provides acute and residential psychiatric care for Montana children and adolescents, and clinical and laboratory medical genetic services to residents of all ages. Shodair is a non-profit, non-denominational facility and the state's only Children's Miracle Network hospital. The medical genetics department at Shodair is the state's medical genetics program, and provides comprehensive services to patients at the Helena campus and in communities throughout the state via outreach clinics.
