Reach to Teach: Educating Elementary and Middle School Children with Fetal Alcohol Spectrum Disorders

Reach to Teach is a booklet provided by the FASD Center for Excellence. It is a valuable resource for parents and teachers to use in educating elementary and middle school children with FASD. The booklet provides a basic introduction to FASD, and provides tools to enhance communication between parents and teachers.

The booklet can be found on their website at:

<http://www.fascenter.samhsa.gov/publications/reachToTeach.cfm> or by contacting the FASD Center for Excellence (see contact information above). You may also contact Shodair Children's Hospital at 1-800-447-6614 to ask for a copy.

Parenting Children Affected by Fetal Alcohol syndrome: A Guide for Daily Living

http://www.fasaware.co.uk/education_docs/daily_guide_for_living.pdf

Re: Defining Success: A Team approach to Supporting Students with FASD

This strategy guide offers ideas, actions and strategies that mentors, community support workers and coaches can use to support students with FASD in their school environment.
