State's Top Student Athletes Named to Play in Annual Shodair Soccer Classic

HELENA—A summertime favorite, the Shodair Soccer Classic kicks off its twelfth season this summer in Helena. The event begins mid-week with activities for players, and culminates with the women's and men's games on Saturday, July 23, at 5:00 and 7:00 p.m. respectively, at Nelson Stadium on the Carroll College campus. This year's Classic will be presented by Walmart, Harrington Pepsi-Cola, and Montana State Fund.

The Classic features top student athletes from high schools all across the state. Through a rigorous screening process, nearly 70 outstanding young men and women are selected to play in the annual event. In addition to having been selected as All-State and All-Conference high school players in Class AA or A, they have demonstrated academic achievement, leadership, and citizenship. The Classic also brings together a talented coaching staff from around the state to guide the teams and assure top-level competition.

Players and coaches arrive at Carroll College on July 20 to begin practices and a variety of other activities leading up to the games. The high school players will also host aspiring young soccer all-stars in a free clinic for children ages 5 to 12 on July 22. The event is especially popular with area youth, with over 200 young players typically participating. Later that evening, a banquet to honor players, coaches, parents, and friends will be held at the dining center on campus.

The Soccer Classic is a benefit for Shodair Children's Hospital and the important work it does for Montana's youth. Shodair provides psychiatric services for children and adolescents from communities throughout the state, as well as comprehensive genetic services for people of all ages. Last year, the hospital provided more than \$2 million dollars in uncompensated care for at-risk children and youth from around the state. Support generated from events like the Soccer Classic and the Children's Miracle Network Telethon help assure that these services remain available for Montana families in need of help.
