## Sara Wakefield Selected as New Newborn Screening Follow-Up Care Coordinator at Shodair Children's Hospital

(HELENA)--- Sara Wakefield, RN, MSN, MHA recently joined Shodair Children's Hospital as its new Newborn Screening Follow-Up Care Coordinator.

Sara received her bachelor of science degree in nursing from Montana State University in Bozeman. She then went on to receive her master of science degree in nursing/health administration from the University of Phoenix.

Prior to joining Shodair, Sara was Health Services Manager at Intermountain Children's Home and also served as an adjunct temporary nursing instructor at Carroll College. Sara has also worked as a public health nurse in both Lewis and Clark and Jefferson Counties.

**-END-**

***About Shodair:*** Shodair Children's Hospital provides acute and residential psychiatric care for Montana children and adolescents, and clinical and laboratory medical genetic services to residents of all ages. Shodair is a non-profit, non-denominational facility and the state's only Children's Miracle Network hospital. The medical genetics department at Shodair is the state's medical genetics program, and provides comprehensive services to patients at the Helena campus and in communities throughout the state via outreach clinics.

***This project is funded in part under a contract with the Montana Department of Public Health and Human Services. The statements herein do not necessarily reflect the opinion of the Department.***
